

Dear Parents of 4th, 5th, and 6th Graders,

We are excited to announce that we will be moving forward with Band in the form of an after school Band club, free-of-charge on Wednesdays from 3:15-4:15.

We will meet for our first Band club session on **Wednesday, December 16th**. Students will NOT need instruments on this day. I will go over with students what to expect in band, how to clean and maintain their instruments, music notation, and other topics. Students WILL NEED to have their instruments by **Wednesday, January 6th, 2021**, which will be our first rehearsal.

Please scan this code on your smart phone or device in order to open the full email that was sent to parents for much more information, including how to sign up on MyBackPack.

You will see in the information the names of students who have expressed interest. You will still need to register them fully. You can add students even if they are not on this list. Just reach out to Mr. Strine with the instruments that they may be interested in.
