

2021-2022 Extracurricular Opportunities

There are many opportunities at Episcopal to further develop current interests, to explore something new, and it's a great way to make new friends!

SAVE THE DATE: Please plan to attend the **Athletics and Fine Arts Open House** following New Student Orientation on **August 10**.

ATHLETICS

There are many summer athletics opportunities at Episcopal, including camps, team workouts and fall sports tryouts. Students and parents will be informed throughout the year when winter and spring sports tryouts are taking place. With 18 programs and more than 60 teams, it is best for parents to reach out directly to the sport-specific program directors by email for dates and specific offerings. (Athletic Program Director's contact information listed on the following page.)

Questions?

Contact Andy Kidd, Director of Athletics at 904.396.5751, ext. 1612 or kidda@esj.org or Kasse Eppley, Director of Middle School Athletics at 904.396.5751, ext.1611 or eppleyk@esj.org

FINE ARTS

Fine arts programs will hit the ground running within the first few weeks of school. There are many ways for both visual and performing artists to engage in ESJ's arts offerings during and after the school day. Please keep this in mind as you're planning where to get involved, particularly after the last bell! Please reach out directly to Fine Arts Program Directors by email for dates and specific offerings.

Questions?

Contact Katie Black-Bowling, Director of Fine Arts at blackk@esj.org

CLUBS + SERVICE + LEADERSHIP

Clubs and community service give space to find friends, passions, and purpose. There are more student-led clubs than we can list on this page. Students, make sure to attend the **Club Fair early in the school year**. If you don't see what you're looking for, gather a few like-minded friends and talk to Rev. Farmer to start a new club! Service and leadership opportunities are always available, and the Office of Spiritual Life can help you find them.
