

2021-2022 Parent Organizations - Get Involved!

Whether you have an hour, a day, or time to chair an event, Episcopal relies on the talent and support of our parent community. As a parent at Episcopal, you are automatically a member of our three Parent Organizations - Parents' Association, FANS, and Boosters. We encourage you to get involved! By volunteering, you help fulfill the school's mission for each student. Please contact the chairs below to see how you can help.

PARENTS' ASSOCIATION (PA)

Chair: Melissa Wilkins, melissawilkins100@gmail.com

The Parents' Association develops and implements projects that help enhance the Episcopal experience for students, faculty, and administration while providing parents with both social and educational opportunities. The Parents' Association hosts numerous events on campus for faculty, staff, and students - including Christmas at Episcopal, appreciation lunches, ice cream socials, lost and found, special speakers, and more. The PA provides scholarships, presents the Angel Awards and contributes to the school's annual fundraising event.

FINE ARTS NURTURING STUDENTS (FANS)

Chair: Ingrid McCawley, ingridmccawley@aol.com

Fine Arts Nurturing Students (FANS) is a parent-support organization that enhances the fine arts experience for every Episcopal student, beyond what is provided by the Episcopal Fine Arts Department. FANS accomplishes this in a variety of ways, including sponsoring and funding workshops, seminars, guest performers, and artists, promoting fine arts events and planning, organizing, funding, and hosting various receptions for the fine arts disciplines.

BOOSTERS

Chair: Dawn Stratton, a.b.strattons@gmail.com

The mission of Boosters is to recognize and celebrate the athletic experiences and achievements of Episcopal students while promoting parent involvement in support of the entire athletic program and its coaches.
