

Ribbon Writing

One positive message can be significant. Our collective positivity can make an even bigger impact.

- Add a positive message on the ribbon using the provided paint pens.
- Take your ribbons and tie them ribbon onto the fence:
 - Tie MS Advisory ribbons onto the part of the baseball fence closest to the 6th grade lockers.
 - Tie US Advisory ribbons to the Jangro stadium fencing to the left of the Eagle, outside of Ms. Zeiner's classroom.
- This week we hang up the ribbons and create a display of all of them.
- Read each other's ribbons.
- Next week find one, remove it, and take it with you.
