

To the parents of Episcopal School Beaches Campus,

Bold Child Co. is pleased to announce we will be providing occupational therapy screenings for the 2022/2023 school year free of charge on 10/7/22. If you or your child's teacher believe your child would benefit from a screening, an observation will be performed to identify the need for further services that can be provided on site via fee for service.

OT skills that can be addressed:

- Fine motor strength
- Grasp
- Visual motor skills (puzzles, patterns, letter recognition)
- Pre-writing
- Cutting
- Attention to task
- Sensory regulation
- Self-care skills (clothing fasteners, opening containers, self feeding)
- Executive functioning skills (problem solving, attention, organization, sequencing)
- Handwriting

More information about our company and expertise can be found on our website: www.boldchildco.com or feel free to contact us at hello@boldchildco.com with any questions regarding this process or your concerns prior to the screening.
