

Lake Traverse Reservation, South Dakota
Mission Trip

Episcopal School of Jacksonville

Traveling: June 11-17, 2023

Dear ESJ students and parents,

It is with tremendous excitement and anticipation that we announce the ESJ 2023 Mission Trip to Lake Traverse Reservation in South Dakota this summer.

The Rev. Teresa Seagle, Rev. Andy Farmer, and Fr. Chris Dell will be leading a mission trip to Lake Traverse Indian Reservation from June 11, 2023, to June 17, 2023. We will be working with YouthWorks (youthworks.com) to improve the conditions for the residents of this Native American reservation. Our work may entail cleaning, painting, yard work, and repairing their houses and schools. In addition, we hope to work with children in a camp setting. Our days will include morning and evening devotionals as well as worship experiences with other youth groups and residents of the reservation. We will know our specific itinerary relative to their needs as we get closer to our departure date.

The total cost for the trip will not exceed \$2000.00. This price includes airfare, food and housing, ground transportation, evening activities, and YouthWorks programing and staff. Once flights and other costs are determined, we will publish the total cost.

Please contact one of the chaplains if you have any questions and/or if you would like an application.

Sincerely,

Teresa Seagle+
