Friday 5/16	Physics 1 Spanish Literature & Culture	Psychology

Digital Administration and BlueBook

- Beginning this year, most AP tests will be administered digitally. Students have been practicing digital testing skills via AP Classroom resources all year.
- AP tests will be administered through BlueBook, the same testing platform used for PSATs. Students have been asked to open the app and download any updates as prompted. We encourage parents

to double-check this app at home with their student. As with the PSAT, students with Chromebooks will take their AP tests on school devices.

Attendance Guidelines

- Students are expected to attend classes when they are not taking an AP exam.
- Students will be excused from classes during their scheduled AP exam.
- All other absences will follow the Absence Policy in the Student-Parent Handbook.
- Students are responsible for communicating with their teachers if they miss class.
- Students must follow the normal sign-in/out procedures whenever they arrive late or leave early from school.
- Please contact studentlife@esj.org if you have any questions.
